Dear Peggy,

On behalf of The PEAK Center, I want to thank you & the group for the wonderful performance of the FiddleKicks ensemble on Friday, April 18th. The dancers were terrific. The band of musicians was excellent. Together with the commentary, we had a wonderful program enjoyed by all.

As you could probably see, both the seniors and the fifth graders from York Avenue School were very engaged. Many people came up to me after the performance to express how much they liked the program. The teachers from York Avenue were also very pleased with the performance and felt it was a very good educational experience for the children.

We also appreciate all the time and effort that you and your group put forth to make it a successful program. We know it takes a lot a practice to make things run so smoothly.

The evaluations were about 95% rated excellent and the rest very good.

We do hope that we will be able to have the group back again in the future.

Sincerely,

Genie K. Esser, Enrichment Program Coor.
